## 4. Participant Agreement

### Child Care Services Association agrees to:

- A. Provide wage supplements to eligible early educators as a special initiative to reward teacher education and continuity of care, thereby providing children ages birth to five more stable relationships with better educated teachers.
- B. Provide IRS-1099 forms at the end of the year to recipients as mandated by current tax law.

### The Child Care WAGE\$® Recipient agrees to:

- A. Acknowledge that receiving the full annual supplement is contingent upon completion of two six-month periods. An installment will be issued after each period, based on the education level and the work schedule of the recipient over the six-month period completed. No portion of the award will be issued if the participant leaves her/his program prior to completing the entire six-month commitment period. Time out for leave or summer breaks cannot be counted toward the completion of a commitment period. New applicants need to be employed at the time of the employment confirmation. Employment is verified after a commitment period is complete and when funding is available. The time of confirmations may be delayed due to funding issues, but the applicant must still be employed when money is available in order to be eligible.
- B. Continue employment in a licensed program that meets the county-specific eligibility requirement for star rating (if applicable) for the entire commitment period and notify the Child Care WAGE\$® Program of any change in licensure. Smart Start partnerships have the option of funding only those participants working in sites with at least three stars or at least four stars. If the license status falls below a three star during a six-month commitment period, participation and supplement amount may be impacted.
- C. Allow her/his employer to release employment information including date of employment, position in center, age level of children in care, current salary or hourly rate (including bonuses received) and the number of hours worked each week.
- D. Allow WAGE\$ staff to release information about participation, including education, to director and/or owner.
- E. Acknowledge that the funding for this project is provided from the local Smart Start partnership and the Division of Child Development and Early Education. The amount allocated by the local partnership will determine the amount available for supplements in the county. Payments will depend upon available funding and the recipient's employer is not responsible for providing the supplement should funds no longer be available.
- F. Report and pay any personal income taxes due on annual supplements as required by current tax law.
- G. Acknowledge that Child Care Services Association reserves the right to adjust commitment periods and policies based on administration and/or fiscal needs.
- H. Acknowledge that reimbursement to the Child Care WAGE\$® Program will be required by the recipient should a salary supplement be issued incorrectly for any reason.
- I. Acknowledge that falsifying application information or documentation may result in the inability to be a participant on this program and the recipient consents to employer and program funder notification if participation is terminated due to failure to comply with documentation requirements.

## 5. Statement of Affirmation

I, \_\_\_\_\_ (applicant's name), attest that the information provided on this application and the supporting documentation is true to the best of my knowledge. I have read and understand the Participant Agreement.

I understand that I am requesting to be considered for WAGE\$ and acknowledge that I must continue to meet the eligibility requirements of that program in order to receive ongoing supplements. In that case, I will no longer receive AWARD\$ supplements. I acknowledge that supplement amounts may be higher or lower than those offered by AWARD\$. (Note to applicant: If you are currently receiving AWARD\$ and a waiting list exists for WAGE\$, you may continue to be paid by AWARD\$ until funding is available for WAGE\$.)

To be considered for a WAGE\$ supplement, I understand that my contact and participation information may be released to the Division of Child Development and Early Education, Smart Start partnerships or other partners. Information may also be shared with the T.E.A.C.H. Early Childhood® Scholarship Program and/or Early Educator Certification as needed to support my participation in any of the programs listed.
