QUARTERLY

A quarterly newsletter for those who support Randolph Partnership for Children with their time and/or resources. We could not do what we do without you!

"We need to give kids the experience of what healthy food is—Our kids need to plant it, grow it, and prepare it."

2019-2020 Annual Report to the Community

On Oct. 20, in conjunction with the Annual Meeting of the Board of Directors, RPC released its 2019-2020 Annual Report to the Community.

A comparison to statistics from the 2018-2019 report illustrates the impact of the pandemic in the latter half of the fiscal year. But it also reveals the great work that continued to happen despite the pandemic.

We'd also like to point out that we ended the fiscal year with 3,608 children in Randolph County enrolled in Dolly Parton's Imagination Library—a 63% increase!

Giving Tuesday

On Dec. 1, Randolph Partnership for Children will participate in Giving Tuesday, a worldwide movement fostering generosity.

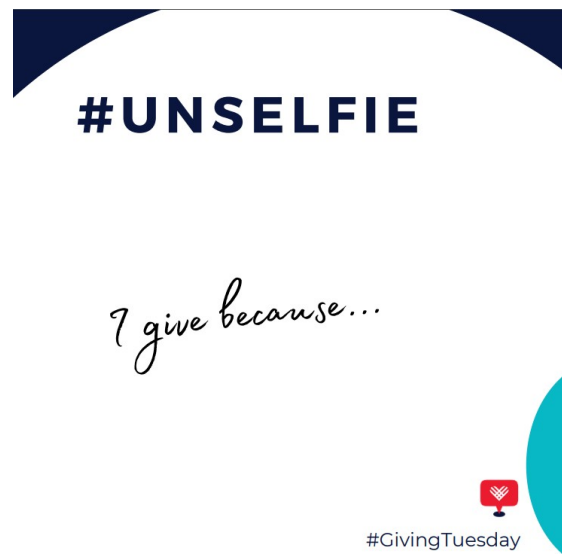

Each year, GivingTuesday strives to build a world in which the catalytic power of generosity is at the heart of the society we build together, unlocking dignity, opportunity, and equity around the globe. The movement was borne in 2012 from a simple idea to set aside a day that encourages people to do good.

This year, we challenge you to:

1. Create an **#UNSELFIE** by downloading the template, writing your answer to "I give because..." and submitting it to Micki Bare (mbare@randolphkids.org) for use on the Partnership's social media platforms on Dec. 1.
2. **Donate** to Randolph Partnership for Children.
3. **Encourage** others to do the same!
