right about now?**

Join us for a Positive Messaging Training Series!

The Image of the Child:

Date: 3/24

Time: 6:30 – 8:00 pm

Facilitator: Kristy Umfleet

How do we “see” our children? How do we help children “see” themselves? What messages do we send so children know they are competent, capable and creative? We will discuss how positivity goes a long way! We will reflect on the quality of relationships, building a community in our space, and true family engagement. This session will be interactive with participants sharing ideas on how to stay positive and share positive messaging with children as they learn about themselves and the world around them.

How Positive Messaging Impacts Healthy Choices

Date: 4/28

Time: 6:30 – 8:00 pm

Facilitators: Patty Sullivan and Meredith Shields

Join Meredith Shields and Patty Sullivan in this second session of the Positive Messaging series, we will explore how caregivers play a major role in developing children’s healthy habits and how, in time, comments accumulate to give children messages about how much control they have over healthy life choices. Learn how negative phrases can easily be changed into positive, helpful ones.

CLASSy Environments for Infants and Toddlers
