NC Crunch Day

Wednesday, October 20 is NC Crunch Day! We challenge you to pick up a locally grown apple and crunch it at noon to celebrate with us and many of our child care centers.

NC Crunch Day is an annual event held in October, which is National Farm to School Month. Randolph County is fortunate to have lots of great farms from which we can locally source fresh fruits and vegetables.

Want to learn more about NC Crunch Day? Read about it in our press release. And to inspire you, check out Millstone Creek Orchard's NC Crunch Day video.

PRESS RELEASE

Pretty in Pink

October is Breast Cancer Awareness Month. Our staff dressed up in pink to remind you that early detection saves lives!

2021 Family Survey

Our Family Engagement and Leadership Coalition is conducting its annual Family Survey. This

survey provides families with young children (birth-5) in Randolph County a way to share concerns, obstacles, and other important information to local organizations who provide services and support. This is an anonymous survey. The congregate data is shared with agencies for the purpose of improving services and support to young children and their families.

If you have a child or children between the ages of birth and 5 years old and live in Randolph County, or if you know someone who does, please take a moment to complete and/or share this year's survey. Thank you!
