

About Us

Since opening our doors in 1999, we have made it our mission to make a positive impact on the lives of Randolph County's children and their families. Randolph Partnership for Children serves as the community's lead organization for bringing together agencies, individuals, and resources to ensure all children enter kindergarten healthy and ready to succeed in school and life.

*We believe children
are our future, and
the community is an
essential part of their
path to success.*

Families

Dolly Parton's Imagination Library

- Infants, toddlers, and preschoolers can receive a free book in the mail every month until their 5th birthday.

Reach Out and Read

- Local pediatricians and family practitioners “prescribe” books and family reading time during well-child check-ups.

NC Pre-K

- North Carolina's curriculum-based preschool program for 4 year olds.

Parents as Teachers

- Early childhood parent education and family support home-visiting program.

The Basics Randolph

- 5 simple, free, fun things parents and caregivers can do to support healthy brain growth in the first three years of life.

Community Partners

Advocate

- Brain development research tells us that more than 85% of brain growth occurs in the first 5 years of life. What infants, toddlers, and preschoolers experience during this critical period will impact the rest of their lives. Every child deserves the best start. Join us to educate the people who can create change during the critical early years.

Volunteer

- We have a variety of volunteer opportunities that make a difference in the lives of children. Our volunteers serve on committees, hand out free books, solicit donations, work festival booths, and more.

Invest

- Our annual appeal, sponsorship packages, and online donations are just a few ways community members and businesses can invest in young children. When children succeed, communities succeed.

Early Educators

Professional Development

- We offer training for early educators in Randolph County to ensure licensed centers and homes meet State requirements and to grow and support high-quality care for young children.

Directors' Institute

- We facilitate a forum for Randolph County's child care directors to come together, share ideas, build relationships, and create a cohesive early childhood community.

Health & Wellness

- Our Health & Wellness Specialist supports child care centers in their work to promote healthy weights and good nutritional habits, as well as enhance outdoor learning environments.

Infant-Toddler

- Our Infant-Toddler Specialist works directly with infant and toddler early educators, providing comprehensive support to ensure the best start for our county's youngest children.
