

# DONATION/SPONSORSHIP OPPORTUNITIES

## Family Jam

2024 was our first Family Jam where we invited families to our office to have the opportunity to get resources from local organizations. While families receive information children can play with the many indoor and outdoor activities provided while supervised by Partnership Staff.

### How It Benefits the Partnership

- Connects families with services
- Allows families opportunity to connect
- Allows opportunity for Orgs to connect
- Increases awareness of the Partnership

### How It Benefits You

- Listed as Sponsor on marketing materials
- Opportunity to volunteer at event, if desired

## The Gift of Reading

Every year at the holiday parades in Randolph County, the Partnership and volunteers walk in the parade and handout books to the children 0-5 in attendance. The goal is for every child to go home with a brand new book.

### How It Benefits the Partnership

- Supports early literacy development
- More books in the home lead to more reading
- Increases awareness of the Partnership

### How It Benefits You

- Name/Logo on Gift of Reading stickers on every book
- Opportunity to volunteer at event, if desired
