Professional Development Early Education Cohort

*“ I felt comfortable in talking about everything and I was confident in my ability to finish school with the best grades. It was amazing to have someone who has as much faith in me as I had in myself.”*

*“ It’s like having a helping hand.”*

## Individual Monthly Meetings

Meet with the Professional Development Specialist and create goals for success.

## Monthly Group Meetings

Connect with other Early Childhood Professionals, like you, who are juggling work, school, and home.

## Cash Incentive

Receive up to \$300 depending on your education!

## What is it?

This program is designed to benefit our Early Educators who are working towards earning their credentials and/or their degrees in Early Childhood Education. Through setting goals and monthly meetings, we will provide an environment that will not only ensure success, but help our community grow!
