Happy Thanksgiving

To all the people who help us carry out the mission of the Partnership for Children,

Thank you for all the many gifts you bestow upon me and the Partnership team. Your contributions of time, talent, and treasure empower us to do the work we do to the fullest of our abilities. Your belief in us to carry out our important and complex work inspires us and motivates us to dream bigger. Your collaborations help us to finesse details so that those dreams can take shape and take flight. You are our donors, funders, volunteers, direct service providers, strategic partners, and community. You make us a better organization, and we are so very grateful.

Serving the young children of Randolph County, and their families and early educators, is something I am thankful for. I am also truly thankful for you.

May you have a bounty of blessings this Thanksgiving week.

-Lisa

Giving Tuesday

This season, we're embarking on a journey of giving and growth at the Partnership. Last year, thanks to your incredible support during Giving Tuesday and Year-End Giving, we raised an amazing \$11,300! This year, we're aiming even higher with a goal of \$11,500.

Here's How You Can Help Us Reach Our Goal:

Financial Contributions: Every dollar counts! From \$20 for a 'Books for Babies' bag to \$1000 for 800 books at the Christmas Parades, your donations create lasting impacts.

Volunteering Time & Expertise: Lend your time and skills to empower our community. Your involvement is key to our shared success.

Donating Resources: Share gently used children's books to spark joy and curiosity in young minds. Books can be dropped off at the Partnership office.

Last year's success was just the beginning. This year, with your continued support, we can achieve even more. No matter how small, every action contributes to our mission of fostering great beginnings for stronger futures. Whether you donate, volunteer, or share resources, your involvement is vital to our journey toward nurturing every child's potential.

Together, let's surpass our goal and make a lasting impact. Because when it comes to shaping brighter futures, everyone indeed has something to give!
