Thank You!

We are thrilled to extend our deepest gratitude to The Nest School in Archdale and Blue Cross Blue Shield for their generous contributions to our mission of supporting early literacy and high-quality early child care.

The Nest School's donation of books will enrich our Annual Gift of Reading, putting new stories into the hands of children in our community and nurturing a lifelong love of reading. This kind of support ensures that every child has the opportunity to explore the world through books, one page at a time.

If you, too, would like to make a difference in a young child's life, we invite you to reach out to Kim Radcliffe at the Partnership. Whether it's donating books, supporting professional development, or exploring other ways to give, Kim can help you find the right option to make a lasting impact.

Together, we can build a stronger future for our children. Thank you for your continued support!
